# Shukela

SOUTH AFRICA

*Shukela SA is aimed at the South African sugarcane growers, as well as to all sugar mills and sugar milling companies. Shukela has relevant sugar industry content. If you are a supplier to this industry then Shukela SA is the best and only publication to be in.*

*In addition to printed copies, the digital replica is available for free download and remains on the website giving you ongoing visibility.*

## CONTENT:

- Each of the 4 editions per annum of Shukela SA has a feature namely: Farm Focus, Irrigation and Agrochemicals, SASTA, Cost Savings and Milling.
- Stories about sugarcane growers and other personalities in the sugar industry, sugar milling, science and technology, news, events and relevant features about the weather, input costs, and ways to farm efficiently.

## Talking to South African Sugarcane Growers and Millers
